

KSU Fall 2008 Housing Assignment Letter and Move in Information

Dear {FIRST},

It is now August and the housing assignment process here at Kent State University is ongoing. As you may be aware, the demand for on campus housing this year has increased and space is at a premium. We have received a significant rise in the number of applications requesting housing compared to previous years. Although rooms are limited, your request for housing is still very important to us. The mission of Residence Services has always been to foster a strong living and learning environment, offering support and assistance to the students in our buildings. This goal is accomplished in a number of ways, one of which is being responsive to the varied needs of our students.

With this in mind, the following on campus housing arrangements have been made:

Your Temporary Fall 2008 Housing Assignment

Hall & Room – {ROOM}

Room Type – {ROOM TYPE}

Your Roommate(s):

This converted lounge accommodation will be secure and private. This accommodation is located on the residence hall floor, and the lounge to which you have been assigned will house three other students whose housing requests matched your own. Because this is considered overflow housing, your assignment is temporary and will only be until a permanent accommodation can be made. Due to the temporary nature of your housing placement, you will be given first priority in changing your housing assignment.

If your plans have changed and you will not be requiring on-campus housing please notify us via: Email: assignments@res.kent.edu or Phone: (330) 672-7021. To avoid additional charges/holds on your account, it is critical that you inform us if you do not plan to live on campus.

We are looking forward to you joining our residential community and hope that you are prepared for the unique opportunities and challenges that await you this fall. Move in information for fall semester is available online at:

Please continue to check our homepage for the most current information.

If you have any questions or concerns about your assignment, or will not be attending Kent State University and need to cancel your assignment, please contact our housing

assignment center at 330-672-7021 or assignments@res.kent.edu. We look forward to seeing you in just a few short weeks!

.

Sincerely,
